

New Jersey Sailing School & Charter, Inc.

Pier 281 Marina

281 Princeton Ave.

Brick, NJ

732-295-3450

Garden State Parkway South to exit 91 A&B. After the toll plaza, stay to the left for Point Pleasant- Herbertsville. Go around to the right and up to the traffic light. Make a right-hand turn at the light onto Burnt Tavern Road crossing back over the Garden State Parkway. At the next light over the bridge, take the right hand turn onto Burrsville Road and continue on that until it merges into Route 88 and crosses Route 70 changing into Princeton Ave. (caution: your GPS could suggest the next exit 89 for Route 70)

Garden State Parkway North to exit 89 A&B. Take the left-hand ramp for Lakewood & Rt 528. (Caution, your GPS might have you take the first right off of the Parkway to Rt 70. It works but can be more traffic). At the light for RT 528 make a right onto Rt 528 & Chambers Bridge Road. Follow the road to the Rt 70 intersection and make a left onto Rt 70. After you cross the small Forge Pond Bridge and some marinas on your right side, stay to the right just past the Dinner and merge onto Princeton Ave to the marina.

Pier 281 Marina is located on the right just past Windward Beach Park. Drive into the marina past the main restaurant building on the right down the hill into the marina area. Park on the right across from our office and boats.
